Transform Southwark

Churches and charities transforming Southwark borough

Domestic Violence is on the increase in our borough. As churches in Southwark we don't just want to be fully aware of this issue, but to understand it and engage as community leaders. We will be hearing from senior leaders in the borough, praying together, getting hold of some effective resources and launching a borough wide prayer initiative. Plus some live music!

Tackling Domestic Violence

The Grand Event Space
The Employment Academy

Wednesday 12th June
6.30pm for refreshments.
meeting 7.00pm - 9.00pm.

SPEAKERS: As Southwark Borough Commander, John Sutherland is the most senior police officer in the borough. He has been with us since the beginning of the year and has generated effective responses to crime in the area, including mobilising prayer! He is a man of faith with a passion to see the church engage in our communities. It is his conviction that Domestic Violence is one of the core drivers of the brokenness we see around us. Others speakers, plus singers/ songwriters will be contributing to the reception.
